

**Meeting Minutes of IQAC
Government Lawngtlai College
2019**

Date: 1st February, 2019 (Wednesday) 1:00 pm
Venue: Principal's Office

Members Present:10

Mr T. Thangthuama, Principal presided over the meeting and welcomed the members.

Agenda 1: Library Roof Cementing

It is reported that we have received Rs. 10 lakh from the Directorate of H&TE for construction and cementing of our college library roof. The committee wishes that the funds be used wisely and sparingly. The Building Committee is assigned to make proper arrangement for the construction as soon as possible.

The committee would like to thank the Director, H&TE, **Pi Sangchin Chinzah** for generously allotting funds for our college. And also acknowledges the initiatives taken by **Mr. J Lalrinawma**, HoD, Sociology for putting every possible effort in connection with funds received.

Agenda 2: College boundary regarding & Jio Mobile Tower.

It is reported that the Jio Company wishes to erect mobile tower for providing disruptive internet service at Lawngtlai and have identify Lawngtlai college campus for possible tower station. At the same time, some of the local resident near the college boundary request the college authority to spare some portion of college land for approach road to their land site.

After serious discussion on the strategic importance of our campus boundary, the committee assigned the **Principal and Vice Principal** to carefully discuss the matter with the concern person(s) and also to demarcate the college boundary carefully and make possible arrangement on the North-east side of our college boundary.

Agenda 3: New Canteen Regarding

The New Canteen Building construction has been completed and is ready for use. The **Canteen Committee** has been assigned to float tender for occupancy of the New Canteen.

Agenda 4: Water Filter/Cooler regarding

There are number of water filter/coolers that is not functioning properly which need immediate maintenance. The **Students Welfare Committee** has been assigned to look into the matter and make appropriate arrangement for fixing and maintaining theses broken filter/coolers as soon as possible.
