## FOREWORD

In a DO letter No. 1-12/2015(CM), dated 22<sup>nd</sup> December, 2015 addressed to the Vice Chancellor, Mizoram University, the Chairman of the UGC emphasized the need for an introduction of Choice-Based Credit System (CBCS) in bringing about qualitative improvement in the national higher education system. As we know the CBCS has already been included in the curriculum of different subjects in the Central universities both at Under Graduate and Post Graduate levels from the Academic Session of 2015-2016. The system has also been in place at Post Graduate level in Mizoram University from 2015-2016 sessions. It is contemplated that CBCS would be implemented at the Under Graduate level as well by all the universities minimizing the reasons for the delay. As a step towards facilitation of implementation of CBCS by the universities, the UGC has brought out detailed syllabi in consultation with various stakeholders, in as many as 107 Under Graduate courses as a template. Giving a high priority to the quality of teaching, Mizoram University has taken initiative and a regulation governing CBCS at Under Graduate level was thrashed out. The 28<sup>th</sup> and 29<sup>th</sup> Academic Council meeting considered and approved the draft Regulations of the Choice-Based Credit and Grading System for implementation in Under Graduate programmes (BA, B.Sc. & B.Com). From 2016-2017 academic sessions, all the admission, teaching, evaluation and result declaration of the above UG programmes shall be made as per the newly approved CBCS (UG) Regulations. All the Under Graduate syllabi are now available as published in this book for implementation from academic session of 2016-2017.
